

TAT enterprises advice

Honesty, efforts to meet our customers' needs, and the **quality** of our service are the fundamental principles which make us superior among other options.

TAT has its own **I+D+i** Department which is in charge of working out the best means of **communicating** with our customers and suppliers. It also accounts for the development of office processes and for the constant technological **innovation** of our working methods.

TAT enterprises advice, focusing on **Corporate Social Responsibility**, contributes actively and voluntarily to social, economic and environmental improvement by means of its own undertakings or participating in tasks promoted by other institutions.

TAT GROUP forms part of the Official Colleges and Professional Associations closely connected with the tasks it carries out.
